

Cape Verde's Leading
Furniture Pack Supplier

Quality Furniture - Quality Service

Welcome...

Galaxy Furniture & Interiors are leading suppliers of Cape Verde furniture packs. We are confident that our stunning design and quality furniture will be well suited to your Cape Verde home. With solid Grade A American Oak and the finest Italian Leather,

we can guarantee that our furniture is built to last.

No matter what size or type of Cape Verdean property you own, we have the perfect furniture pack to furnish your home. We not only deliver to every property as requested,

we also supply our made to measure furniture packs to numerous resorts in Cape Verde; Villa Verde, Paradise Beach, Dunas, Tortuga, Villa Cabral and all other developments on the Islands of Sal and Boa Vista - including very small independant new builds.

Solid Oak

All of our wooden furniture is made from Grade A quality solid American oak. So you know that, it will be of the highest standard and will stand the test of time. All of our wooden furniture and furniture packs are made from this quality solid oak. The oak goes through a stringent treatment process with a final treatment of a special oil to give it a super smooth finish.

Along with our high quality materials, we are proud to use only the best carpentry standards and attention to detail is everything. Here at Galaxy Furniture & Interiors we ensure that all of the furniture that we provide is hand finished here in the UK before being delivered directly to your Cape Verde Property. We don't believe in flat pack furniture, so we deliver everything ready for use. All you need to do is decide where to put it! Rest easy in the knowledge that our furniture packs and products will last a lifetime.

Take a look at our furniture pack products and imagine how luxurious your beautiful Cape Verdean property will feel with our products in place.

In order to get the perfect look for your Cape Verdean property, we invite you to choose from a selection of styles and options. Dependant on your taste, you could opt for either the metal or wooden handle finish.

You also have a choice of colour with our finest Italian Leather sofas and dining chairs. Opt for either the rich Brown or the classic cream, whichever you prefer.

It's Your Choice

Blinds and Curtains

As Cape Verdes' specialist for blinds and curtains, Galaxy Furniture & Interiors, is proud to present our range of blinds and curtains for your Cape Verde property. We have a selection of over 200 colours and style to choose from which will allow you to express yourself and add that homely feel - Just to your liking. Our range of blinds will be tailor made

for your property and finished by hand for that added touch of class. There are so many choices and combinations to choose from, we simply can't list them all here. Also, so you have the chance to give your Cape Verde property your personal touch, it is better for you to pop into our shop in Santa Maria and see our full fabric collection. This blind or curtain pack includes

everything you will need and also includes free fitting! You can also choose from black out materials that help block out the heat and the light. Whether you decide to go for a combination of blinds and/or curtains it is up to you - but you can be sure of the widest selection made to the highest standard with Galaxy Furniture & Interiors.

Style as standard with our Blinds and Curtains.

The blinds come in a mixture of both vertical and roller depending on the window size and the curtains include steel poles and tie backs. We don't like to limit you to what you have and where, so our packs are designed by the only person that knows your taste - you! All that is left to do now is choose the blinds

or curtains that you want. You pay a set price for your size property no matter which options you choose.

Remember, all of our prices include taxes and delivery. We even fit the curtains and blinds for no extra cost.

Prices and information about your bespoke curtain and blinds package are available upon request. ENQUIRIES : [Click here](#)
